W.P (C).NO. 28308 OF 2007 - T

Dated this the 25th day of September, 2007

J U D G M E N T

The manager of an aided school joins hands with a teacher of the school to defeat the claims of another teacher challenging Ext.P20 order of the Government sanctioning an additional division for the school for the year 2004-05. It is strange that a manager comes up before this court challenging the orders of the Government sanctioning additional division for the school. Normally, it is the other way round. Always, the manager wants an additional division. As such, I am not satisfied about the bona fides of the petitioners in filing this writ petition. As far as the first petitioner is concerned, he cannot have any locus standi to challenge the orders of the Government granting additional division to the school. As far as the manager is concerned, he cannot be aggrieved by the order because the order is in his favour. In the above

circumstances, I do not find any merit in the writ petition and accordingly the same is dismissed.
